## EVENT ORGANIZATION & PRODUCTION

Event organizer with 13 years of experience in the planning, development, organization, delivery of dance mentorship, cultural and social events. As the founder of Naturally Dance, I have organized hundreds of dance classes, events and collaborated with international & local instructors. I delivered programs for audiences ranging from small groups to over 1300+ attendees. My experience includes coordinating people & venues, communicating with participants & collaborators, engaging audiences and solving problems in a dynamic environment.
